Whereas, the members of the Missouri House of Representatives have tremendous esteem for those Show-Me State students whose skills, talents, and knowledge afforded them the opportunity to rise to the top of their chosen fields of extracurricular endeavor; and

Whereas, Tray Hall of the College of the Ozarks Future Farmers of America (FFA) Chapter was presented with the American FFA degree during the National FFA Convention which was held in Louisville, Kentucky, during October 2002; and

Whereas, a graduate of Alton High School, Tray Hall engaged in a stellar array of competitions at the high school level and underwent a Supervised Agricultural Experience based on entrepreneurial and work-based learning experiences during his secondary school years; and

Whereas, Tray's American FFA Degree is based on his continued participation in FFA for one year after his high school graduation and upon his demonstrated leadership ability and outstanding achievement in an agricultural business, production, processing, or service program; and

Whereas, Tray's phenomenal success in being awarded the American FFA degree will always be a source of great pride for his devoted parents, Kenneth and Nan Hall of Alton; and

Whereas, Missouri FFA has nearly twenty thousand members who are preparing for leadership and careers in the science, business, and technology of agriculture; and
